

Saralapps

Design Documentation

Website & Product UI Specification
Version 1.0 | April 2026

1. Project Overview

Saral Apps is a mobile application development company offering custom app solutions for modern businesses. The website showcases their services, portfolio, team culture, and client success stories across multiple pages, each targeting a distinct audience or product offering.

1.1 Brand Identity

Brand Name	Saral Apps
Tagline	Custom — Tailored to Your Vision
Primary Color	#1A73E8 (Blue)
Background Color	#EBF3FE (Light Blue) / #FFFFFF (White)
Typography	Sans-serif (Arial / Inter-style)
Logo Style	Wordmark — 'Saral' in blue bold, 'apps' in dark, with a geometric icon
Target Audience	Businesses seeking mobile app development, students, HR teams

1.2 Pages Identified

The Figma design contains 7 distinct full-page designs:

Page / Screen	Section	Description
Page 1	Home	Main landing page with hero, trust logos, how it works, recent works, testimonials
Page 2	Services	Mobile app solutions overview, manifesto, team, values, culture section
Page 3	Product — TS Bundel	App showcase with features, discount offer, team, CTA, FAQ
Page 4	Career / Mission	Categories, mission statement, team roles, testimonial quote, FAQ
Page 5	Smart App Dev	B2B smart app development service page with platforms, process, CTA
Page 6	TS Gurukul	EdTech product page with FAQ, user reviews, benefits, app download
Page 7	Contact / FAQ	Get in Touch form, map embed, FAQ accordion, footer

2. Design System

2.1 Color Palette

Primary Blue	#1A73E8 — CTA buttons, links, accents, logo
Accent Blue	#4A90D9 — Hover states, secondary buttons, badges
Light Blue BG	#EBF3FE — Section backgrounds, card fills, hero zones
Mid Blue	#D5E8F9 — Table headers, feature card fills
White	#FFFFFF — Default content backgrounds, cards
Dark Text	#1A1A2E — Headlines, nav items, primary text
Gray Text	#6B7280 — Subtext, labels, captions, metadata
Border Gray	#CCCCCC / #E5E7EB — Dividers, card outlines, separators

2.2 Typography

Hero Headline	Bold, ~36–48px, Dark (#1A1A2E), full width
Section Heading H1	Bold, ~28–32px, Dark or Blue
Section Heading H2	Semibold, ~22–26px, Brand Blue
Body Text	Regular, ~14–16px, #333333
Label / Badge	Uppercase, ~11–12px, Gray or Blue, letter-spaced
Caption / Meta	Light, ~12px, Gray #6B7280
Button Text	Bold, ~14px, White or Blue

2.3 Spacing & Layout

Max Content Width	~1200px centered
Section Padding (Y)	60–80px top/bottom
Card Padding	24–32px internal
Grid	12-column, 24px gutters
Card Border Radius	8–12px rounded corners
Button Border Radius	6–8px (pill style for CTAs)
Image Ratio (Hero)	16:9 or full-width bleed

2.4 Component Library

Buttons

Primary CTA	Solid blue (#1A73E8), white text, pill-rounded, e.g. 'Get Started', 'See More'
Secondary CTA	Outlined blue, blue text, same pill style
Ghost / Text Link	No border, blue underline on hover
App Store Badges	Apple App Store and Google Play Store standard badges

Cards

Service Card	White bg, icon top, bold title, short description, blue CTA link
Portfolio Card	Image top, client logo, title, blue CTA button
Testimonial Card	Quote text, avatar, name, designation, star rating
Category Card	Icon + label, blue-tinted background, hover state
FAQ Row	Expandable accordion, arrow toggle, border-bottom separator
Team Member Card	Square portrait image, name bold, role in gray below

Navigation

Type	Fixed top navbar
Logo	Left-aligned wordmark
Nav Links	Center or right-aligned: Home, About, Services, Contact
CTA Button	Far right — solid blue pill button
Mobile	Hamburger icon collapses to vertical drawer

3. Page-by-Page Documentation

CTAs	App Store and Play Store download badges

Page 7 — Contact / Get In Touch

[PAGE HEADER]

Headline	"Get In Touch"
Subtext	Contact form introduction or short mission statement

[CONTACT FORM]

Fields	Full Name Email Phone Subject Message (textarea)
Submit Button	Solid blue pill button — 'Send Message'
Validation	Required field indicators

[MAP EMBED]

Type	Google Maps embed showing office location
Marker	Pin at company address in Nepal
Style	Full-width or right-column embedded map

[FAQ ACCORDION]

Layout	Full-width expandable list
Questions	Common support & service questions, expand/collapse per item
Toggle	Arrow icon rotates on expand

4. Interactions & States

4.1 Button States

Default	Solid blue, white text
Hover	Darker blue (#1557B0), slight shadow elevation
Active / Pressed	Deeper shade, slight scale reduction
Disabled	Gray (#D1D5DB), no cursor pointer
Loading	Spinner icon replaces text or appears alongside

4.2 FAQ Accordion

Closed State	Question visible, arrow pointing right/down
Open State	Answer slides down, arrow rotates 90°
Animation	CSS max-height transition, ~300ms ease-in-out
One Open at a Time	Collapsing previous on new expand (optional)

4.3 Navigation

Desktop	Horizontal nav, active link underlined or bold
Mobile	Hamburger icon collapses nav to vertical sidebar/drawer
Scroll Behavior	Navbar stays fixed/sticky on scroll
Active State	Current page link highlighted in blue

4.4 Forms

Field Focus	Blue border highlight on active input
Error State	Red border + error message below field
Success State	Green tick or success banner after submission
Submit CTA	Full-width or standard blue button at form bottom

5. Content Strategy

5.1 Tone of Voice

Primary Tone	Professional, approachable, solution-focused
Secondary Tone	Inspiring, community-driven (especially career pages)
Language	English with some Nepali context (e.g. 'Loksewe Tayari' for TS Gurukul)
CTA Language	Action-oriented: 'Build', 'Join', 'Get Started', 'Let's go'

5.2 Photography Style

People	Real professional photos of diverse team members
Devices	Phone and tablet mockups showing app UI
Office/Culture	Candid and posed team shots for 'Life at Saral Apps'
Partners	Client logos on white/neutral backgrounds
Color Tone	Natural lighting, clean backgrounds, aligned with brand blue

5.3 Social Proof Elements

- Partner logos: Hamro Patro, Hero, Bright Academy, Luztie
- Testimonial quotes with avatar, name, and role
- App Store / Play Store download badges
- Star ratings on review cards
- Named case studies: TS Bundel, TS Gurukul, Bright Academy, AI Trainings

6. Developer Handoff Notes

6.1 Tech Recommendations

Framework	React.js / Next.js (for SSR/SEO)
Styling	Tailwind CSS — maps well to the design tokens
Animation	Framer Motion (accordion, transitions)
Icons	Lucide React or Heroicons (matches the icon style)
Maps	Google Maps Embed API or react-google-maps
Forms	React Hook Form + Zod for validation
App Store Links	Deep links to iOS App Store and Google Play

6.2 Responsive Breakpoints

Mobile	< 768px — single column, hamburger nav
Tablet	768px–1024px — 2-column grids
Desktop	> 1024px — full layout, 3–4 column grids
Content Max Width	1200px centered with auto side margins

6.3 Assets to Export from Figma

- Logo SVG (full wordmark + icon variant)
- All partner/client logos (SVG or PNG @2x)
- Phone mockup PNGs (transparent background)
- Team member portrait photos (WebP @2x)
- App Store / Play Store badge SVGs
- Section background illustrations (if any)
- Icon set used in feature cards and nav

6.4 SEO & Accessibility

Headings	Proper H1–H3 hierarchy per page
Images	Alt text required for all images
Color Contrast	Blue on white — meets WCAG AA (4.5:1 minimum)
Focus States	Visible focus ring on all interactive elements

ARIA Labels	Required on accordion toggles, nav items, form inputs
Meta Tags	Unique title and description per page for SEO
